

CLEAN LIKE A PRO!™

This product is an outstanding, full service, chain and cable lubricant. Fortified with both molybdenum disulfide and PTFE, the formula will provide superior lubricity, protection, and longevity. Use this product on chains, cables, wire ropes, sprockets, drive chains, hoist chains, drag chains, and conveyor chains to prevent metal to metal contact and reduce friction, heat, stress, and wear during operation. Very water and acid resistant. In addition, the special aerosol valving system allows for precise control of material delivery with minimal splashing and/or overspray. This unique product is formulated without chlorinated solvents or ozone depleters.
